**Art Statement:** Grandma's Gorgeous Glass Gazebo is an upcycler's DREAM! We take the

best of Grandma's fine glassware and crystal and attach it to a 4' wide by 4' deep by 12' high church cathedral gazebo made from schedule 40 tubing. We then string a cut and slumped wine bottle glass wind chime from the steeple and position a prayer bench in the center for meditation. The sun will catch the beautiful crystal glass and the breeze will ring the glass chimes.
