

Title: Rolling on the River

Artist: Anne Panella

Contact: apanella76@gmail.com

One Sentence about the piece: This antique cultivator, found in a friend's garden shed, frames a fish leaping from the river.

Artist Biography: Anne Panella gathers much inspiration from the natural environment. She retired in 2017 from a career with Virginia Tech Athletics.

Artist Statement: After some trial-and-error with various materials, this piece came together using aged oak pallet wood (appropriate for the garden shed theme), chalk paint and fasteners fashioned from scrap copper wire.
