

Title: Little World in Rain

Artist: Krissa Rehberg

Contact: krissar18@vt.edu

Brief Artist Biography: Krissa is a freshman at Virginia Tech majoring in Wildlife Conservation and minoring in Chinese and Visual Arts. Despite her academic focus towards the sciences, the arts have always been her creative outlet and a way to express herself. Krissa loves creating her intangible ideas into relatively tangible creations. She dabbles in all different mediums from digital art, to oil, to even chocolate.

Art Statement:

For those that love the rain and all that it brings, Little World in Rain is a way for you to experience pieces of life encased in drops.
