

Title: Reflection of a Creator

Artist: Nikki Pynn

Contact: nikipynnstudio@gmail.com

Artist Biography: Nikki Pynn resides in southwest Virginia. She has worked in stained glass for 36 years, moving to a more sculptural approach in the past 3 years. Nikki has always worked around jobs, parenting, all that life stuff. Now, her full-time job is being a full-time artist.

Art Statement:

Working in stained glass is working with line, shape, color, texture and suggestion. This is not the medium for realism. What I see in nature or made objects of light, shadow and reflection can be defined but being forced off the path by unnatural delineation opens interpretation wider. I' m choosing to take a step further to move the lines natural to drawing reproduction, to add to the definition.
